

# Rent or Lease

## Laser Marking Systems

We strive to offer the most flexible purchase options available in the laser industry; all designed to make your decision easy!

Have a short-term laser marking project? Want to take a “test drive”? Rent your choice of Minilase™ or Zetalase™. If you decide to buy at any time, your first month’s payment and security deposit will be applied to the purchase.

Rental program for qualified customers only. Minimum rental period is 6 months. Availability is limited. Please contact us for full rental program details and availability.

If you are looking at a more flexible way to finance your laser system purchase, ask us about leasing with our preferred partners.

## Rental Rates

	Monthly Rate	Security Deposit
Minilase Manual 20W	\$895.00	\$895.00
Zetalase 20W	\$1,295.00	\$1,295.00

*Rental applies to the above listed models only, per approved credit. Refundable security deposit of one month’s rent required at time of rental. Rental payments due in advance each month. Upon rental to purchase conversion, only the first month’s payment and security deposit will be credited toward the purchase price, regardless of total rental time. Minimum rental period is 6 months. Rental program only available in North America. Signed rental agreement is required. Please consult your sales representative for full details.*
